

## News Release

### **Jon Pease Named President of WellComp™ Managed Care Services, Inc.**

VENTURA, Calif., (December 3, 2008) – WellComp Managed Care Services, Inc., a premier provider of a full range of managed care services to California employers and of medical bill review services throughout the U.S., today announced that it had appointed Jon Pease president of WellComp Managed Care Services.

Pease will oversee business development, operations, staffing, recruiting and strategic planning for WellComp, which provides medical bill review services nationwide and a full array of managed care services in California, including: medical bill, utilization and physician reviews; a California medical provider network; nurse case management; return-to-work programs; special investigation and surveillance; special funds recovery; and litigation management. Pease will also be responsible for expanding WellComp's complete managed care capabilities outside California.

Pease earned a B.A. in Economics from the University of Southern California and an M.B.A. from the Kellogg School of Management at Northwestern University. He has worked in the bill review industry for more than two decades, most recently serving as President of PacMed, Inc., a national bill review company based in Ventura, California.
